Dear Mrs Futrell,

As you say, I am very busy. That is why your letter reached me only yesterday. I hope you will forgive the delay in the answer.

Here at Ami we all like the leaflet very much. Ami would like to buy a supply for propaganda purpose.

Personally I find it a masterly exposition. It has all the essentials of the method, they are exposed very clearly in an easy language accessible to all. I think you should have a good supply available for sale in Palo Alto. That is why I am sending a copy of this letter to Miss Wickramaratne.

Shall we see you in Palo Alto? I hope so. If, and when, I next come to Washington, please remind Miss Stephenson to include in my program a visit to the Aquinas School.

Yours sincerely

Mario M. Montessori
